Continuation of Substance of Interview including description of the general nature of what was discussed: Upon consulting SPEs and SPRE, examiner made a decision to rejoin claims 30-58, which were withdrawn due to a previous restriction requirement. Not only the restriction was found to be improperly grouped, there was also a linkage in the claims grouped differently. The decision was communicated to applicant's representative who agreed to rejoin the claims in question. Consequently all subsequent action are also vacated. Thus, claims 30-58 are officially rejoined and claims 1-60 are pending now.
